PARTNERSHIPS FOR IMPROVED COMMUNITY SPORTS FACILITIES

Ian Preece
Manager Environment and Sustainability
Clarence City Council
Background – Usage Factors

- Increased demand for additional sporting facilities

- Almost all of Council’s outdoor sporting facilities are utilised to maximum capacity

- Actually in some instances the grounds are beyond their maximum level of usage and the playing surfaces are not able to be maintained to the appropriate level

- With major sporting codes extending their playing seasons there is limited recuperative time for the grounds especially the winter to summer change-over
Background - Trigger
Background - Options

• Bellerive Oval development meant the sub-lease for Clarence District Cricket Club was not renewed or extended

• Various locations were explored to find CDCC a new home: Wirksworth Grounds, Clarence High School Oval and Kangaroo Bay Oval

• Establish key stakeholder working group for the evaluation of the 3 options for relocating Clarence District Cricket Club, which included:
  • Clarence City Council
  • Sport and Recreation Tasmania
  • Cricket Tasmania
  • Clarence District Cricket Club
  • Department of Education
Background - Outcome

- The agreed outcome with all key stakeholders was
  - CDCC to relocate from Bellerive Oval to Kangaroo Bay Oval
  - Little Athletics to relocate from Kangaroo Bay Oval to **Clarence High School**
  - Junior Cricket to relocate from Kangaroo Bay Oval to **Clarence High School**
  - Part of Clarence Junior Football Club to relocate from Geilston Bay Oval to **Clarence High School**

- Timeline determined by Bellerive Oval development which is to be completed for the 2015 World Cup for Cricket

- CDCC to be relocated to Kangaroo Bay Oval for the 2014/2015 season
Clarence High School

- MOU was signed between the Minister for Education and Skills, Hon Nick McKim and Mayor Clarence City Council, Alderman Doug Chipman

- It was recognised that the school oval was under utilised and that the DoE didn’t have funds to upgrade the oval to a reasonable standard

- Council required more ovals to meet its demand from clubs and associations

- Lease agreement was negotiated and signed for the development of the Clarence High School Oval and old hockey pitches
Clarence High School

- Working group of key stakeholders established to develop concept plans from each stakeholder needs
  - Department of Education
  - Clarence City Council
  - Clarence Little Athletics Club
  - Cricket Tasmania
  - Clarence Junior Football Club
- Council allocated $1,018,000 for the building design & construction $948,500 for the oval development and field event facilities with $80,000 from S&R Tasmania Major Grants Program
- The site at Clarence High School was quite constrained
- The working group met regularly and the final outcome should meet the needs of all involved
Conceptual Drawings
Clarence High School

- All key stakeholder groups were asked to approve the final conceptual plans before progressing with detailed drawings and tenders

- The Clarence High School development has been split into 3 stages
  - Oval upgrade
  - Building design and construction
  - Little Athletics field event facilities

- The oval is almost complete with seeding occurring this week
- Tenders have been called for the building construction
- Quotes for the Little Athletics field event facilities will occur in early 2014

Benefits of Partnership

- Council meets its need to provide a home base for Clarence District Cricket Club (Kangaroo Bay Oval)

- Council meets its need to provide additional sportsgrounds to meet the rising demand for community sports facilities

- Clarence High School gains with a vastly improved sports ground and new outdoor activity facility with the new change rooms, which can be converted as a teaching space

- The community gain from having new community sports facility for junior clubs within the Clarence community
What’s Happening Next

• Council has signed an MOU for Geilston Bay High School Oval

• Negotiations have completed for the lease agreement for this location with a start date of 1 July 2014
Interested?

- Should anyone like to obtain a template for the MOU then it is available here today and Sport & Recreation Tasmania are willing to assist Council’s with this type of agreement with local schools.
