LOCAL GOVERNMENT FORUM

YOU CAN MAKE A DIFFERENCE to the **health and wellbeing** of your community.
Come along to find out how.

You are invited to attend a **FREE** information forum specifically tailored for local government and available to interested community organisations.

This forum showcases a range of health and wellbeing initiatives and services to encourage and support local government representatives and community organisations get involved with physical activity in their community.

It provides an opportunity to bring together local government members and community organisations with an interest in the health and wellbeing of the Tasmanian community.

We hope to see you there!
